Government College of Arts & Science, Aurangabad

IQAC

Online Training Program for Faculty Members

(Duration:5-5-2020 to 11-5-20202)

"LMS: Exploring ICT Tools For Developing Proficiency in Teaching Learning"

ALL FACULTY MEMBERS,

During the past one & half month of lockdown, everyone has been working from home & this has been Possible with the help of various ICT tools. All of us have also participated in various online discussions of webinars. Many of us have been using ICT tools already in teaching learning process. In the current scenario of changing educational trends it has become obligatory on the part of everyone to be techno savvy. In consideration with these things, **under the able guidance of our respected principal Dr. Rohini Kulkarni Pandhare** & the ideas of all IQAC members, IQAC has structured online training program for efficient use of ICT tools. In order to make each faculty member skill full and efficient in using ICT tools, IQAC is going to conduct seven days online training programme through which every faculty member will be able to understand LMS & to discuss doubts if any. Faculty members from both Senior & Junior college must participate in it.

Our colleague & IQAC member Mr.Ajaykumar Gandhi will give training & guide us about the use of Google forms, Google classroom, Edmodo & other supporting ICT Tools through video link. The time table & related information of the course content would be provided via email & whats app to all faculty members. There will be ONE hr live streaming session every day in order to clear any doubts and queries in the video uploaded on that day. We all try to attain proficiency in teaching through the use of ICT tools. Through this training program, it is the endeavour of IQAC to clear doubts regarding efficient use of various online teaching applications.

Faculty members have to register for the course through google form link which is free of cost. An assignment will be given after completion of each unit. Completing assignment is mandatory & E certificate will be awarded after the completion of the course. The faculty participation & successive completion of the course will contribute to enhance the quality of teaching staff. This is one of the contributing factors towards upgradation of NAAC for our college. Your co-operation is expected.

Dr.Yugandhara S Topare   Dr.Rohini Kulkarni-Pandhare

Co-ordinator, IQAC   Principal,Govtcollege of Arts & Sci,Abad

Organising committee members, IQAC

1. Dr.Archana Chapolikar
