**Government College of Arts & Science, Aurangabad
Internal Quality Assurance Cell (IQAC)**

**One day state level self financed workshop on 'Intellectual Property Rights' (IPR)
on 7th September 2018**

REPORT

Internal quality Assurance Cell of Govt. College of Arts & Science, A 'bad has organized one day state level workshop on 'Intellectual Property Rights' on 7th Sept 2018. It was a self financed workshop. The main objective of workshop was to create awareness about intellectual properties, its rights, legal process and its various tools. This workshop encouraged faculty members, research students, entrepreneurs, artists, management and law professionals and engineers to participate and acquire information about IPR. In this globalized era, knowledge plays an important role in wealth generation. The aim of IQAC in organizing this academic gathering was to gain knowledge, to boost inventions and creations in various areas under the protection of IPR

INAUGURAL FUNCTION

'Innovations, creativity are the keys of development of mankind and society' - Col.Anilji Save
This function was compered by IQAC member Smt.Suchita Bharambe. She introduced Chief Guest Col. Anilji Save and Joint Director Dr.Satish Deshpande. IQAC Coordinator and Organizing secretary Dr.Yugandhara Topare put forward. Dr.Topare explained the role of IQAC in organizing workshop on IPR and its necessity for economic and social development in India. She took review of various activities conducted by IQAC.

Well known industrialist and socially active entrepreneur of Marathwada region, Col.Anilji Save, Director of Atra Pharmaceuticals, Waluj MIDC, A 'bad inaugurated workshop. He explained 'the role of IPR and industrial scenario in his inaugural speech and presentation. He aptly quote Dr. Raghunath Mashelkar that

'Knowledge is wealth. You may not require land and money to own it' while delivering his speech. Mr. Save emphasized importance of intellectual property. He opined that we should encourage students to ask questions. Innovations, creativity are the keys of development of mankind and society. He appreciated IQAC for introducing new subject to academicians.

Guest of honor, Joint director Higher education, Aurangabad Region *Dr.Satish Deshpande* said that quality of research should be upgraded in higher education. This quality up gradation will help to increase number of patents in India. He remarked that academicians should protect their intellectual properties. IQAC member Dr.Anuradha Nisal delivered vote of thanks at the end of the function.

Principal Dr.Rohini Kulkarni gave best wishes for the workshop and emphasized necessity of IPR in her presidential address.

Chief guest Col.Anil Save, Joint director, Higher education, Aurangabad Region Dr.Satish Deshpande, Principal and IQAC Chairperson Dr. Rohini Kulkarni Pandhare, Organizing secretary and IQAC Coordinator Dr.Yugandhara Topare, Convener Dr.Seema Bodkhe were present on the stage.

IQAC member Mr.Ajaykumar Gandhi took care of presentation, online registrations and technical part of the workshop.

Inauguration of Workshop on IPR by Col.Anil Save, Dr. Satish Deshpande, Principal Dr. Rohini Kulkarni, Coordinator Dr. Yugandhara Topare & Convener Dr. Seema Bodkhe

Technical session II - Procedural aspects of IPR

Technical session II on Procedural aspects of IPR was followed by lunch. IQAC member Miss. Trupti Sapkale compered the session II. She introduced Resource person Adv. Paresh Chinchole, GMGC, Pune.

Adv. Chinchole, an IIT technocrat explained tools of IPR. He put some examples and procedure of filing in copyright, patent and industrial design area. He said that number of patents filed during a year is less in India. In Japan, children are aware about property rights from schooling.

Faculty members from engineering and science stream asked Adv. Chinchole about copyrights and issues related with it. Session was very lively and participants were satisfied to know about new concepts in Intellectual property.

Valedictory Function

IQAC member Mr. Sandeep Jogdand compered this last session of the workshop. Dr. Anuradha Nisal introduced chief guest Mr. Prashant Deshpande, MD, Expert solutions, A'bad.

Dr. Seema Bodkhe took review of the sessions. She stated that faculty and researchers from Pune, Amravati, Nanded, Jalna, Beed, Nagpur, and Mumbai have participated in this workshop. Total 197 delegates were participated. Participants were from Arts, science, commerce, management, law, library science and engineering field. More than 80 research students were present. Small scale entrepreneurs from industrial area were participated.

Mr. Prashant Deshpande, IT expert and founder of expert solutions, an internationally reputed IT company said that innovation is the soul of industrial development. He explained Industrial scenario in Marathwada region. He advised that young people from our region Marathwada should throw away the feeling of backwardness. We can generate productivity through hard work, confidence and creative mind. He appreciated efforts of IQAC.

Principal Dr. Rohini Kulkarni Pandhare, in her presidential and concluding remark said sthat about IPR will be the outcome of this workshop. Teachers, researchers should protect their innovation and creation.

Representative from participants Dr. Seema Dhage, S.B. College of Arts and commerce expressed her satisfactory views regarding workshop. She said that participants got new information. Resource persons were experts. Mr. Sharma from MIT Engineering College appreciated the presentation. He said that we are inspired to file patent through encouraging presentations in this workshop.

Coordinator Dr. Yugandhara Topare expressed vote of thanks to Mr. Prashant Deshpande for accepting invitation as a chief guest. She thanked all the participants, organizing committee members, student members, teaching and nonteaching staff and office staff members for their great assistance in the organization of workshop.

TECHNICAL SESSION I - MEANING, NATURE AND SCOPE OF IPR

Technical session was followed by inaugural function. Advocate Ganesh Hingmire, Director GMGC, Pune was an expert resource person.

Dr. Rohini Kulkarni felicitating Ad. Ganesh Hingmire

IQAC member Dr. Seema Bodkhe Compered the session 'Meaning, nature and scope of IPR'. She introduced Advocate Ganesh Hingmire.

Adv. Hingmire started his presentation with an appealing question that if everybody has brain then any one can acquire IPR and generate patent. Adv. Hingmire an expertise in patent processing explained that Indians should come forward to protect their ideas, innovation through intellectual property rights. He explained in a very lucid manner and in a communicative way. He put some success stories in the field of copy rights, Geographical indication and patents. Entrepreneurs present for this workshop asked questions about scope for creation in small scale sector in Marathwada region. Research students asked him curiously about areas of patent filing. His language and presentation was excellent and appealing for all participants.

About College:

Government college of Arts & Science is a premier and oldest institution in the Marathwada region. College was established on 23rd September 1923 at Aurangabad, the capital place of Marathwada region. The forty eight acres of college campus is known as Kile-Ark. This historical college campus comprises few antique buildings namely *Janana Mahal*, *Mardana Mahal* and *Pamar Kothi*. These are the best examples of medieval architecture. College has great heritage of not only historical buildings but also of social and political movement like "Vande Mataram"

In September 2016, college was accredited with "A" grade by NAAC. Our college is marching towards centenary and it has preserved its ethics and ideas by keeping pace with technological changes. The college has good infrastructure with 21 UG and 03 PG departments in Science and Arts streams.

IQAC, Internal Quality Assurance Cell was established on 1st July 2006. IQAC of the college is working according to the guidelines of NAAC. IQAC attempts to enhance quality education in the institute through various academic activities as well as social initiatives. It encourages educational development of student and faculty members in association with various stakeholders.

About IPR and Workshop:

In this globalized era, knowledge/intellectual capital is playing a basic role in wealth creation. Nation's intellectual property is an incentive to the economy. According to WIPO, World Intellectual Property Organization, Intellectual property refers to creation of mind, such as invention, literary and artistic works, designs and symbols, name and images used in commerce.

Intellectual property rights (IPR) are the exclusive rights given to the creators to their creations. IPR is an intangible asset of a person. There are different IPR tools such as patents, trademarks, industrial design, Geographical indication, copyright and patent law. These tools give protection to the creation, invention for a certain period of time. This creation may be in the form of invention in laboratory by scientific way or a book written by author or an art like Painting, Sculpture, Drawing or musical work by musicians etc.

Today IPR is playing an important role in technology and research oriented industry, beside this there is lack of awareness about IPR and its advantages.

Objectives of Workshop:

- To enhance awareness about Intellectual property, its rights and various tools.
- This workshop also facilitates to understand the management of patent filling process for researchers, academicians industry professionals and entrepreneurs.
