

Report on one day NAAC Sponsored Online National seminar
By
IQAC, Government College of Arts & Science, Aurangabad, Maharashtra.

On 'Fostering Teaching Learning Practices for quality enhancement in Higher Educational Institutions' Organized on 5th July,2021

Inauguration (10.30 am to 11.15 am)

The webinar began at 10.30. am sharp. *Joint Director of Higher Education, Aurangabad Region, Dr. Ranjitsinha Nimbalkar* was the inaugural guest and chief guest. *Hon. Dr. B. Raja Shekhar, Pro Vice-Chancellor of University of Hyderabad, Telangana* was the inaugural guest and resource person for the session. The webinar commenced with the recital of National Anthem Dr. Ranjit Sinha Nimbalkar delivered the inaugural address and emphasized the need of quality initiatives by educational institutions.

Dr.B. Rajashekhar congratulated for selecting teaching learning related topic for the webinar. He focussed on the volatility on the background of pandemic situation and expected changes in teaching learning practices.

Principal of the college *Dr.Rajendra. H. Satpute* welcomed the dignitaries and gave welcome speech. He gave a brief history of the college and also mentioned that the college is marching towards centenary and is expected to go for Autonomy. The convener of the webinar *Dr. Yugandhara Topare* read the foreword of the webinar. *Dr.Khan Talat Shaista* conducted the program.

Session 1- (11.15 am to 12.15 pm)

Measuring Quality Teaching and NAAC Accreditation Framework

For the first session *Prof. B. Raja Shekhar, Pro-Vice Chancellor, Hyderabad University, Telangana* was the Resource person. In his presentation he discussed about features of quality

teaching and how to measure quality teaching. He emphasized that active learning is becoming a biggest challenge. Further he concentrated on second criterion of NAAC and discussed about Teaching learning Process and its key Indicators and its weightage. He explained that Students' satisfaction level is decided by the kinds of experiences students undergo. Extent of the comfort feeling as well as intellectual stimulation the learning situation provides. Their feedback showcases the actual quality of teaching learning process enabling identification of strength of teaching as well as the positive implements. He answered queries of the participants satisfactorily. Session was conducted by Dr. Seema Bodkhe.

Session 2- (12.30 am to 1.30 pm)

Teaching Learning Practices and NEP 2020

Dr. S. Shankar, Ex. Principal, ANR College, Gudivada, Andhra Pradesh was the resource person for second session. In his presentation he explained the Vision for India' s higher education system. He focused that education in NEP 2020 will not be only for the employment but it will be for progressive and prosperous nation. He discussed some of the major problems in higher education system such as severely fragmented structure, poor learning outcomes, rigid separation of disciplines, lack of access, lack of institutional autonomy. HEI should develop community engagement and service and to support school education. It will help to increase gross enrollment ratio by 2030. New policy looks forward for autonomy and flexibility in the functioning of educational institutions. This session was conducted by Dr. Archana Chapolikar.

Session 3- (1.30 am to 2.30 pm)

Teaching Learning Practices and Outcome Based Education

In this session *Prof. Kalpana Chavan, Xavier's Institute of education, Mumbai* was a resource person. She Started her presentation with concept of outcome-based education. She explained outcome Based Approach in detailed. While explaining OBE approach she told the difference between output and Outcome. Prof Chavan created awareness about pedagogical terms and outcome-based education. She explained Epistemology of Teaching. Prof. Chavan focused on problems of teaching methods implementation and education system related problems. Over all presentation was Interactive, informative and comprehensive. Prof. Chavan answered many doubts of participants. Mr. Sandeep Jogdand conducted the session.

Session 4- (2.30 am to 3.30 pm)

Curriculum Development and employability in HEI's

Dr. Vijay Joshi, Chief consultant RUSA, Maharashtra and ex principal, K. J. Somaiya college, Mumbai was the resource person for the last session. His speech has enlightened the participants how the development of curriculum is significant to increase the employability of students in view of gaps in skill levels of graduates and disconnection of qualification and skills. In this connection he also focused the issues of new educational policy and needs of inculcating certain types of skills among students and invading it curriculum to increase the employability among graduates. He has also presented the job landscape of future jobs. He focused on the importance of new skills such as active learning, resilience, stress tolerance, flexibility in curriculum. He explained the difference in terms employment and employability skills. According to him the economic and social foundation of higher education is eroding. He emphasized on collaboration across network and need of adapting multidisciplinary approach. Dr. Ramprasad Kale conducted the session.

Valedictory session-(3.45pm to 4.30 pm)

Mr. Ajaykumar Gandhi conducted the session and welcomed all the guests and participants to the valedictory function. Dr. Vijay Joshi was the chief guest for valedictory function. Dr. Yugandhara Topare, convener of the webinar presented a brief review of all the sessions held during the webinar. *Dr. Tushita Iyer, Faculty from BPHE's Society, Ahmednagar College* in live feedback thanked for the efforts taken by the organizing committee. She expressed that all the sessions were helpful and will certainly help all the teachers to become better facilitators. Another participant, alumnus of the college *Miss. Sachee Arora consulting psychologist* in her feedback thanked the organizing committee for organizing such a fruitful webinar. *Dr. Aruna (Botany Professor)* said that she learned a lot from the webinar. She appreciated all the efforts taken by the organizer. In the valedictory address Dr. Joshi emphasized on self-analysis and role of IQAC in development process. In concluding remark Principal Dr. R. H. Satpute said that suggestions by various resource persons will be useful for the development of our college. At the end Dr. Vaishali L. Deshmukh proposed a vote of thanks.

ABOUT COLLEGE –

Government College of Arts and Science is a premier institution in Marathwada region of Maharashtra state. It is affiliated to Dr. B.A.M. University, Aurangabad (M.S). It fulfils academic needs of underprivileged students in the Marathwada region of Maharashtra state on a large-scale. The college was established on 22nd September 1923 in Aurangabad, the then capital of Marathwada. Earlier it was known as Osmania Intermediate College. After 1950 this was the only higher education institute catering to the needs of the students in the region. College has served like a backbone in educational movement of Marathwada region. This institute has been reaccredited by NAAC with 'A' grade in 2016. The main building of the college is surrounded by heritage sites which presently serve as college departments. Historical campus of the college comprises few antique buildings of mediaeval architecture namely Janana Mahal, Mardana Mahal, Pamer kothi and Pamer Darwaza. The first Clarion call for Vande Mataram was given in 1938 in the college hostel which latter on spread throughout the Hyderabad state of Nizam. This renowned institution has distinguished itself by preserving its ancient heritage and simultaneously forged ahead with the changing times. College will be celebrating centenary in 2023.

The college has good infrastructure with 22 departments of Science and Arts streams. The faculty members are highly qualified and selected through Maharashtra public service commission. We have Music and Home Science with postgraduate departments on grant basis. The department of Geography runs PG course on non-grant basis. The college has organised various state and national level seminars, exhibitions, conferences and workshops.

ABOUT IQAC -

IQAC was established in July 2006. College has been accredited with 'A' grade in second cycle of NAAC in Sept. 2016. Third cycle of assessment and accreditation by the competent authority NAAC, Bangalore is in process. IQAC has organised workshops on intellectual property rights, workshops and webinar on revised accreditation framework of NAAC, Faculty development programme on Learning Management Systems, guest lectures on various aspects. Department level workshops for students is one of the best practices of our college. College has initiated new activities and developments as per the suggestions of NAAC peer team in their visit in 2016. College has developed language lab and Central instrumentation lab under the RUSA grants.

ABOUT WEBINAR –

Quality teaching in higher education is important for student learning outcomes. Therefore, fostering teaching learning practices is important in higher education institutions in India. Quality teaching includes several dimensions like effective design of curriculum, course content, variety of learning contact, effective assessment etc. It also involves learning environment and student support services. Hence fostering quality of teaching and learning is a multi-level task. These levels are interdependent. This multi-tasking activity in quality teaching and learning can be implemented at institutional level, Program or course content level and individual level. At institutional level, it includes academic policy and support system to foster quality teaching. At program level design content and delivery of program are important aspects of quality teaching. The role of higher education institutions is extended in the competitive world. These institutions are trainer, facilitator and mentors also.

There are fundamental changes in the employment pattern all over the world. Graduates are entering in a world of employment which is characterized by uncertainty, speed, risk, and interdisciplinary approach. That's why the role of higher education institutions in fostering teaching learning practices is becoming important. This webinar is an attempt to focus on the various aspects of teaching learning in consideration with its different levels. The seminar also intends to explore innovative teaching learning methods, support system and various platforms for teachers and students to improve the quality of teaching process.

OBJECTIVES OF THE WEBINAR -

1. To increase the quality and efficiency of teaching and learning process.
2. To provide a framework for collaborative planning for instructors, educational developers, administrators and students.
3. To explore teaching learning tools other than traditional classroom teaching.
4. To introduce shift in the policies in higher education.
5. To develop curriculum supporting employability.
6. To discuss challenges in higher education with reference to quality teaching and diversity of student profile.
