IQAC

Teaching and learning policy

Teaching learning policy is necessary to ensure the teacher about his pedagogical knowledge and teaching skills and commitments. Teaching learning policy of the Government College of arts and Science aims to provide students with an engaging curriculum and have opportunity to develop independence and experience success in their learning.

Role of IQAC

IQAC plays an important role in the curriculum delivery and planning. IQAC continuously review the teaching learning process and to achieve the highest quality in education.

Following are important steps to run teaching learning policy efficiently.

College implies following steps to run it successfully.

- 1.To prepare institutional academic calendar, department calendar and action plan
- 2.To prepare teaching plan and fulfil the requirements in teachers diary
- 3.To adopt innovative teaching methods and to use ICT tools.
- 4.Continuous upgradation in the teaching methods
- 5.Continuous internal evaluation of students
- 6.Assessment of student on the basis of course, examination results and result analysis
- 7.To collect feedback on course from teachers, students, employer and Alumni
- 8.To conduct academic audit to upgrade teaching learning process
- 9.To prepare action taken report for further action and upgradation
